Tuition & Payments

- Tuition is a season fee divided into equal monthly payments. Rates cover the full school year season, including studio breaks and holidays – they are not based on the number of classes in a given month.
- After registering (paying for September tuition and the non-refundable \$35 registration fee), monthly tuition (October–May) must be paid on or before the first of each month. May tuition is prorated for GB.
- All families will be required to have a valid credit card on file, and tuition will be run the first of each month. You may opt to pay tuition via cash/check but must do so BEFORE the first of each month to avoid having your card charged.
- Please be sure to update your credit card info if anything changes throughout the season. There is a \$25 fee for any payments that are declined.
- Accounts not paid within 30 days are subject to an accruing 5% monthly finance charge and discontinued services until paid in full or a signed payment plan is received and approved.

Discounts

- No discounts on registration fees, private lessons, summer classes/camps/clinics, or Fusion Team fees.
- School Year Season: For each dancer...First class is full price. Any class after that will receive a 10% discount. The discount will be on the lesser amounts.

NSF Payments/Late Fees

- NSF on paper checks or auto-charge payments will incur a \$25 NSF fee, which must be paid, along with tuition, before your child may return to classes. A late fee of \$25 will be added to any accounts not paid & current by the 10th of the month.

- In the event of inclement weather, an email will be sent as well as updated to our social media, and TeamApp. Please note that we do not necessarily follow school closings, as roads are often cleared by the time classes begin.
